Case No. 2:20-cv-00578-APG-DJA

ORDER

12 This matter is before the Court on Plaintiff's Motion to Request Copy of Transcripts (ECF
13 No. 20), filed on July 14, 2020. Plaintiff is a pro se prisoner and requests transcripts from another
14 case, C-19-342159-2 from what appears to be a November 14, 2019 trial that took place in state
15 court. He does not cite any authority requiring the Court to furnish him with free copies of
16 transcripts from a state court case nor is the Court aware of any that exists. As such, it will deny
17 his request.

18 This matter is also before the Court on Plaintiff's Motion for Alternative Dispute
19 Resolution (ECF No. 22), filed on July 16, 2020. He indicates that he is open to settlement and
20 seeks a settlement conference. Plaintiff does not indicate that he has reached out to Defendants to
21 discuss settlement or that they are willing to do so. This case has just entered the discovery phase
22 and the Court's review of the docket does not indicate it is ripe for a court-ordered settlement
23 conference. Plaintiff may work with Defendants to informally discuss settlement. However, the
24 Court finds no grounds to warrant scheduling an early settlement conference at this point in the
25 case and will deny Plaintiff's request.

26 IT IS THEREFORE ORDERED that Plaintiff's Motion to Request Copy of Transcripts
27 (ECF No. 20) is **denied**.
28

1 IT IS FURTHER ORDERED that Plaintiff's Motion for Alternative Dispute Resolution
2 (ECF No. 22) is **denied**.

3 DATED: July 29, 2020.
